2014

First Founder's Day Celebration

2014

Our 1st Founder's Day Celebration, March 21st, was a tribute to our namesake—Fannie C. Williams.

Williams was an exceptional educator during the era of segregation in the south. She pursued the best educational practices for the thousands of African American students under her care. For 33 years she served as a classroom teacher and administrator primarily at Valena C. Jones Elem. in New Orleans.

Her legacy of success and caring is a tradition that we strive to continue at FCWCS. We will forever make Ms. Williams's birthday an extraordinary day in memory of an extraordinary educator.

Happy Birthday Fannie C. Williams (1882-1980). ###

**Message from our Principal/CEO
May 7, 2014**

Dear Parents & Guardians,

The months of this academic school year have now dwindled down to three weeks and counting. As always, the year has been filled to capacity with events, deadlines, good times, bad times, and of course learning.

We've had grandparents, dads, and mothers on campus by the hundreds. Thanks to all of you who made the trip to visit your young ones. Your presence made their day and ours too!

Along with parents and grandparents, we've had the state superintendent, John White, and RSD's superintendent, Patrick Dobard, on campus for meetings. The Saints visited also. We had defensive player Akiem Hicks on campus to talk about the merits of a good

education. We were also graced by the presence of the Saints organization who provided us with a field day on the yard. Getting kids up and moving with the Saints/ Gatorade Jr. Training Camp on a beautiful September day was great.

Our athletic teams are developing nicely—the flag football team won the Metro Middle School League Championship in the fall. Way to go team! Our basketball teams—girls and boys—always gave it their all. We are proud of your efforts. We also had students participating in cross country. We've discovered quite a few “serious” runners on campus.

This year also saw the start of our Girl Scout Troop. Troop 41296 calls FCWCS home. Our band broke out with their new uniforms—looking exceptionally sharp and sounding very good as they paraded through

the streets of New Orleans. The auxiliary units gave them that additional wow factor.

In the classroom, teachers employed all types of learning to engage our students. Our nearly 600 students come in all shapes and sizes and also their methods of learning are as varied. We've got visual, logical, verbal, physical, aural, solitary, and social learners on campus. The staff has spent the year trying to service all these varieties of learners. We use all methods to capture the attention of our pupils. Athletics, music, clubs, organizations, computers, art, PBS activities, etc. are all employed to make this school a great place to learn & grow.

Keep your scholars positively engaged and safe this summer. See you in August.

—Mrs. Kelly S. Batiste, Principal/CEO

Damaged Library Books Becoming A Problem

FCWCS Library **Lends** Books

Books borrowed from the school's library are due back **one (1) week** from checkout.

Our library presently has about 7500 books. We are trying to maintain our current

collection. It is important that parents ensure that their children return the books in the same condition that they received them. Please do not allow your child to eat while reading their borrowed book. Students should also not write or mark in these books.

The school year is rapidly come to a close. We are asking that all parents search their homes for books that may belong to our school. Please encourage your scholar to return all books to the school's library.

Parents will be responsible for any book that is abused, destroyed or lost. ###

UPDATE! Pennies for Patients Campaign FINAL Total Adjusted

Our last issue of the **WN** announced that FCWCS had raised a grand total of \$1222.74 for the Leukemia & Lymphoma Society's Pennies for Patients Campaign.

We've received the official numbers from the L&L Society and we've been entered into the record books with a grand total of **\$1228.65** for this year's contribution. The funds raised will go to research

and patient aid in support of the organizations goal to cure leukemia, lymphoma, Hodgkin's disease and myeloma. It also attempts to improve the quality of life of patients and their families.

Our top homerooms—Mr. Goodly's 8th grade boys, Ms. Fowler's and Ms. French's third graders—are the recipients of a free field trip and pizza parties, respectively for their generosity. FCWCS also received a \$100.00 Office Depot Gift Card to be used by the school for supplies.

Again Warriors, thanks for your generosity and caring. Your pennies will go a long way in fighting blood cancers. ###

Did you know that . . .

FCWCS has a certified **speech pathologist** on staff full time?

Mrs. Lynda McCray is our veteran speech pathologist whose job it is to provide assistance to our students who have disorders related to speech, language, cognitive communication, voice, swallowing, and fluency.

Mrs. McCray has spent several decades in New Orleans working with children who can't produce speech sounds or can't produce them clearly to be understood by others. Students who are stutters, who speak in a harsh tone or an inappropriate pitch would see Mrs. McCray. She is also trained to work with students with attention, memory or problem solving disorders. These are known as cognitive communication disorders. Individuals with swallowing problems can also be assisted by our speech pathologist.

Mrs. McCray and all the speech pathologists who work with the children of New Orleans are inviting all parents and guardians to their **Better Hearing and Speech Month EXPO** sponsored by the Orleans Parish School Board Department of Exceptional Children's Services on **Thursday, May 8th** at the **Norman Mayer Library** in Gentilly (near Dillard University), **10:30 a.m. - 3:00 p.m.**

The speech pathologists of New Orleans hope to see you there! ###

Lost & Found Clothing Anxiously Awaiting Owners

The lost clothing that are currently "living" in the school's lobby are requesting that their owners retrieve them immediately.

We've got sweatshirts, hats, jackets, sweaters—a table and rack full of clothing that need to be taken home. **Clothing that is marked with a student's name can be easily returned.**

Parents, please check your child's clothing at

home to see what is missing. It may be hanging on the rack at FCWCS. Remember, all clothing not retrieved will be given to Goodwill Industries at the close of the school year. ###

If you did not, inquire about it at the ISC (main office).

Have you seen this piece of art around the city?

In 2013, the city of New Orleans unveiled the artwork depicted on the right to indicate the 17 designated City evacuation pick-up points (evacuspots).

In case of a dangerous hurricane (usually Cat 3 or greater), the city will call for a mandatory evacuation. ALL citizens must leave the city until officials have indicated the city is safe for re-entry.

The city will provide transportation assistance for Orleans Parish residents/and or tourists who cannot leave town in their own cars.

In order to use the City-Assisted Evacuation, **citizens must register ahead of time (nola.gov)**. After registering, citizens can go to any of the 17 evacuspots to be transported to the Union Pacific Terminal bus station for a ride out the city. Individuals who have medical or mobility needs and cannot get to the the closest evacuspots,

should call 311 or go to ready.nola.gov to sign up for the **Special Needs Registry**.

Except for those individuals with medical mobility issues, it is your responsibility to get you and your family to the closet pick-up point to your home. When you register, you will be given information regarding the nearest evacuspots to you. Remember hurricane season begins June 1st. Access nola.gov or call 504.658.8700 now for additional information. Let's hope that we have

another non-eventful season like last year. But let's be ready just in case! ###

Did you read this issue of **WARRIOR NEWS**? It was prepared especially for parents and friends of FCWCS!

We've got a monthly drawing for a prize for those Warriors whose parents send this coupon (within 2 school days of receiving the **WN**) back after reading these pages for important information about our great school!

Teachers Are Bound by Law to Report Child Abuse

In 2012 the Louisiana Legislature enacted laws regarding the reporting of child abuse. These laws, enacted May 25, 2012, stated that **all members of a school's staff have a moral and legal duty to report any sexual or severe physical abuse suspected involving students enrolled at FCWCS. Failure to report will result in staff being charged with a felony.**

All employees of FCWCS are bound by law to report sexual or severe physical child abuse. We are considered mandatory reporters. See page 1 of the 2013-2014 Family Handbook for additional information. ###
