Message From Our Principal/CEO

December 1, 2014

Dear Parents,

We're closing in on the completion of the first semester. Exams are slated for December 15-17. Please make sure that your child(ren) is present.

You've been informed of our intervention program, I-Ready, that has been implemented to aid our students in grades K-8 in reading and mathematics. Be reminded that this program can be utilized at home, as well as at school. Students usernames and passwords have been issued to them. Younger students may need assistance logging on—but our older students are quite capable. Parents needing

passwords and usernames can request them from your child's teachers.

Cost of Internet Service can be quite expensive. Cox Communications has recently informed me that they are offering high speed service for as little as \$9.95 per month for families who have a child receiving free lunch. There are certain requirements, of course. Additional information regarding this offering can be found on page 9 of this newsletter. Maybe a home computer will be in your family's future with affordable Internet service available.

Here's hoping you and your family have a joyful holiday season. See you next year!

—Mrs. K. Batiste, Principal

No School Days for Students - Coming Soon!

- Week of November 24-28 - Thanksgiving Break
- Week of December 22-31 - Winter Break
- January 1-2 - Winter Break (Classes resume on January 5, 2015)
- January 19 - MLK, Jr. Birthday
- February 16-20 - PD Day and Mardi Gras

All monies owed to the school regarding World's Finest Chocolate is past due! Please see Mrs. B. Watson to make payments.

Thanks for helping in our fund raising endeavor.

If your son or daughter has an emergency at school, could we reach you quickly?

Please keep all contact information up-to-date in the school's Instructional Support Center-ISC (main office). Send any changes to your home address, phone numbers, emergency contacts, etc. to your child's homeroom teacher immediately. The teacher will pass it on to the ISC. Thanks. ###

Great for school activities (e.g., field trips)

Progress Reports will be issued to students on the following dates:

September 15 ~~November 10~~ January 26 April 20

Report Card Conferences with parents will be held 4 - 6 p.m. on the following dates: ~~October 22~~ January 7 March 25 May 21 (time TBA). Mark your calendars. ###

Attendance Is Required for Learning

FCWCS Staff believes all Warriors can learn, but they must be here to do so! **The school calendar for 2014-2015 has 175 days of instruction.**

Students missing 10 days or more will repeat the grade the next year, regardless of the student's Grade Point Average. The only exception to the attendance regulation shall be extenuating circumstances that are verified by the school's administration (see pg. 2 of the *Family Handbook* for additional information.) ###

Warriors always follow the 4Ps . . .

They are **p**rompt, **p**olite, **p**repared, and **p**roductive each day. Please review the school's Students Code of Conduct & the Warrior Way in the 2014-2015 issue of the Family Handbook (pgs. 20, 21-26) ###

Carpool Safety

In order to ensure the safety of all students, we are asking all parents to adhere to the following carpool policies:

- The speed limit on campus is 5 mph.
- **All students should exit the right side (passenger side) of the vehicle.**
- Ensure your child is fastened in a seat belt until the car comes to a complete stop.
- Put your car in PARK before you allow your child to exit the vehicle.
- Turn down your radio on school property.
- DO NOT PARK in the carpool lane. If you must enter the school, please park on the left in the spots labeled "Low Fuel Emitting Vehicles."
- Smoking is prohibited on campus, even in cars.
- On rainy days, please proceed to the second entrance. Your child will need to exit and proceed to the stairs under the overhang. Please keep a poncho or small umbrella in their backpack. ###

Free Smoke Detectors Available in New Orleans

Free smoke detectors are available for any resident of Orleans parish in need. The New Orleans Fire Department is putting the word out after the death of five members of an uptown family on Monday, November 10th.

Firefighters believe the tragedy could have been prevented if the home in the Broadmoor section of town had working smoke detectors installed. The free smoke detectors program in New Orleans began in 2013. It was started with assisting the elderly and other people in need. A grant from the Louisiana State Fire Marshall's office and private donations supplies NOFD with 10 year smoke detectors. Firefighters will even install them when they are not dealing with emergencies. The detectors cost about

\$5.00 each. Residents of Orleans can receive up to two detectors per residence. These units will last 10 years and the batteries should be checked monthly and replaced yearly. Firefighters will even replace the batteries for the elderly or physically challenged individuals.

To get a free smoke detector call 504.685.4714 or fill out the online form at www.nola.gov/nofd/citizen-services/free-smoke-detector-installation/. A fireman will call to make arrangements for installation.

Thanks to Mrs. K. LeBlanc for suggesting this article for the WN.

Troop 41296 Leads Giving Effort

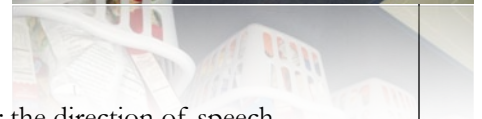

PBS Team Supplies Gift Cards

Troop Leaders Barnett, Henry, and
Ducros and their 25+ members of
Fannie's Girl Scout Troop once again
collected hundreds of nonperishable
food items to make **six (6)**

Thanksgiving baskets for needy
families in our community. This marks
the second year the scout troop has
lead the effort.

In past years, the Student Council, under the direction of speech
pathologist Mrs. L. McCray, gave baskets to families in need. Also our PBS
Team (spearheaded by staff member Ms. S. Theard), were part of the
earliest group to give back to our learning community. FCWCS's service to
families in need goes back more than 1/2 dozen years.

Homerooms were asked to participate by bringing in everything from cans
of peas, corn, candied yams and monetary donations. Troop Leader
Barnett wishes to thank all students (and their parents) who donated to
this cause. ###

I-Ready Proving to Be Effective Tool

Recent Diagnostic Has Indicated Jumps in Achievement

Our last month's issue cover story of **WN** told of the school's efforts to enhance student achievement in the core area of reading and mathematics. Students who are able to achieve in these two areas will usually find success in other areas of studies.

To achieve this, the school's administration purchased a license for **I-Ready Diagnostic and Instruction**, an online program to improve reading and math skills for students in grades K-8. The program provides action plans for teachers and delivers differentiated online instruction to students. Recent diagnostic testing has indicated that "80% of our scholars have increased

their scores," according to CAO Williams. Middle school is presently showing the greatest gains.

Parents of students who are not developing as they should will be notified of their problems.

Certificates and award pencils were issued to students showing improvement

Parents are reminded that students with a computer and the Internet at home are able to access the lessons in reading and mathematics. Students have been notified of their usernames and passwords. ###

"Reading is the foundation for all other subjects."

The Job's Not Finished Yet . . .

VOTE December 6th—Your VOICE is Needed

On the ballot Saturday, December 6th are important decisions that have yet to be resolved.

Voters are asked to finish the task started in November. In Louisiana we will decide on the **Louisiana U.S. Senate Seat—Landrieu vs. Cassidy**. There is also the hotly contested **Public**

(of course that's all of us)—**Orleans Parish School Board Property Tax**.

Proponents of the tax have outlined the use of the 4.97 mill tax (already in place to pay down) to provide all schools with a facility maintenance preservation plan. Almost \$2 billion has been spent in rebuilding school facilities since Hurricane Katrina. None of this money can be used for maintenance or repairs.

The influx of federal monies is coming to an end and these schools will have to be maintained for future students and staff for many years to come.

We need all our parents to go out and vote on Saturday, December 6th. Whatever your choice, your viewpoint counts!

###

Service Commissioner for District 1 Race—Skrmetta vs. Wright; Ahern vs. Barial for Judge in Orleans Parish Civil District Court (Family Court); the search for a judge for Orleans Parish Juvenile pits Charbonnet vs. Cook-Calvin; and there is a race that is important to all citizens with a stake in education

Hard work in the computer lab pays off with an ice cream social—cupcakes and ice cream. Definitely a crowd favorite!

Band Director Petit, Sick Leave

Thaddeus Petit, FCWCS's band director since 2011, has gone on medical leave, effective immediately.

Petit, an US Army veteran will be out for an undisclosed amount of time. He will be replaced by his assistant Dedric Jones. Taylor Holt and Stephen Goodly, both current staff members will continue to work with our musicians to ensure a smooth transition into the Mardi Gras marching season.

Petit is a former member of the Marching 100 of St. Augustine HS. Jones played music at Fortier HS, Goodly earned his musical "chops" at McDonogh No. 35 and Holt was a member of the XU Prep Marching Band. Our musicians are in good hands

We wish Mr. Petit a speedy recovery and hope to have him back soon. ###

Since September 2011, Thaddeus Petit (above) has been instrumental in putting together a marching band that has garnered notice. Our middle school band and auxiliary units are requested for carnival parades and community events alike. Jones will continue in this direction with our marching band.

Facts About FCWCS . . .

- FCWCS opened September 2007 by the Recovery School District.
- Prior to the storms and floods of 2005, Fannie C. Williams was a middle school, reportedly the largest in the state of Louisiana.

- During the first year of Fannie C. Williams Elementary, the school served only Pre-K through 6 grades, with about 450 students in attendance.
- There are about 600 students enrolled this academic year at FCWCS.
