## BESE Renews FCWCS Charter Six Years

January 25, 2016

Dear Fannie Family,

A few weeks again I penned a message to you regarding renewal of our charter to operate.

It is with great pleasure that I can now advise you that the Board of Secondary & Elementary Education (BESE) has granted us the renewal to operate six more years under the Board of Directors known as C.L.A.S.S. (Community Leaders Advocating Student Success). Based on our most recent School Performance Scores (SPS), we earned—with a curve—a letter grade of C.

We will continue to develop as a learning institution until we can earn a letter grade of A. I believe everything we need to make this happen is already in place—a talented staff, a wealth of resources to use, a supportive BOD, parents who believe in our mission, and students who want to be successful!

Thank you for your confidence by allowing us to nurture your child socially, physically, and academically.

Sincerely,  
*Kelly S. Batiste*

**Message From the Desk of  
Nurse Cheryl Robichaux, R.N., B.S.N.**

Thanks to all the staff and parents who donated blood to the Red Cross on January 6th. We had 15 donors who contributed to this worthwhile cause.

Have you had your family immunized against the flu? February has been predicted to be the peak season for the New Orleans area for this yearly malady—just in time for the thousands coming in for Mardi Gras.

Each year 5-20% of the US population is affected. Seniors, young children, pregnant women, and people with certain health conditions are at the greatest risk. The Center for Disease Control says the best way to prevent getting the flu is to get a vaccination each year. See your doctor.

One of the health awareness concerns for the month of January is National Radon Action Month. Radon can't be seen, smelled or tasted, but it could be present in your home at dangerous levels. It is the leading cause of lung cancer in nonsmokers in the USA. Visit the US Environmental Protection Agency's website for additional information ([www.epa.gov](http://www.epa.gov)). ###

## Dryades Branch (Colored) of the New Orleans Public Library (1915-1965)

Before desegregation, even the library system in New Orleans had limited access for African Americans. New Orleans had about six public libraries in the first decade of the 20th century.

There was only one branch of the library system where blacks could borrow books in the city of New Orleans. That was the Dryades Street branch of the New Orleans Public Library, located at 1924 Philip Street. Blacks were not able to visit the main library (then at Lee Circle) or any of its branches. The one exception to this rule—black lawyers could use the reference law books, but were not allowed to check out any books for pleasure reading. A library for “colored” patrons was needed during this era of Jim Crow.

The Dryades Street Branch was constructed in 1915 at a cost of \$25,000. It was financed by steel magnate Andrew Carnegie, who at the time was building scores of libraries all around the USA (his philanthropic foundation exists to this day—giving us the “seed money” for everything from Pell Grants to Sesame Street). Among the world’s wealthiest men, Carnegie was prodded by Tulane University Professor James Hardy Dillard (the namesake of Dillard University) to pledge money for the construction of a library and its furnishings for the “colored” citizens of New Orleans. The land the building sits on was donated by the city of New Orleans.

On Saturday, October 24, 1915, the Dryades Street Library was dedicated. Henry M. Gill, the city librarian, called upon the every black civic leader in attendance to speak to the large audience there that day. The building’s auditorium, for 50 years, would host African Americans of note visiting the city—Carter G. Woodson (1939) and Paul Robeson (1942)—to name two.

It would be almost 40 years before the system would construct another branch for blacks in New Orleans. In 1954, the Nora Navra Branch at 1902 St. Bernard Ave. was opened to accommodate the reading needs of citizens downtown. This occurred just as the 1954 *Brown v. the Board of Education* Supreme Court decision made Jim Crow Laws illegal.

The Dryades Branch now sits empty, heavily damaged in 1965 by Hurricane Betsy. It is now a local historical landmark and owned by the Dryades St. YMCA. It was rededicated in 1994 to return it to its original use as a community resource.

**DID YOU  
KNOW?**

## Parents and Guardians . . .

There’s a lot of information stored in those backpacks! Don’t let an important message slip by . . .

Check those backpacks, especially on **Wednesday nights**. We’ve sent home important info and we want to be sure you get to see it!

Stay on top of things! Be informed by reading the **WARRIOR NEWS**, explore the school’s website and **check your child’s school folder each Wednesday** for news about our school and your child’s academic progress. ###

Parents who read the **WARRIOR NEWS** are in the know! Are you? **Ms. Chantell Martin**, mother of Corey and Taylor, read the last issue. Corey and Taylor were able to choose prizes from Mrs. Batiste’s treasure box. See page 5 after reading this issue to enter your scholars. ###

## Pencils for Sale!

*(never send your Warrior to school without two or three)*

Warriors should never leave home without their tools—books, paper, and pencils! But if you couldn't get to the store to restock pencils at your home, we sell them daily.

The school's library sells them every morning (before class) in the gym. **They are .25 each.** Ms. LeBlanc or Ms. Theard will have them on hand. ###

## FCWCS is a NO Pen or Mechanical (Lead) Pen Zone

Please DO NOT purchase ink pens or mechanical pens for students. Ink pens have been used to mark the walls. Lead pencil's lead are found all over the floor, making it difficult to keep our floors clean. Students should only use No. 2 lead pencils at school *(see page 11 of the Family Handbook)*. ###

### Developing Character Traits of Responsibility

Counselor Edmond has been developing a program where character traits of responsibility are taught.

Developing a child's character is important—perfecting a child's ethical values. Most authorities in the field have singled the following six traits as the pillars of character. Think about them carefully and you will find our school's behavioral mantra, the 4Ps (prompt, polite, prepared, productive)—incorporated in them.

A Warrior with character is . . .

1. **Trustworthy** (honest, reliable, loyal . . .);
2. **Respectful** (follows the Golden Rule, considerate, doesn't use foul language, possesses good manners . . .);
3. **Responsible** (has self control, accountable for his actions, plans ahead, has perseverance . . .);
4. **Fair** (plays by the rules, treats others with fairness . . .);
5. **Caring** (shows compassion and empathy for others . . .);
6. **A Good Citizen** (does what they can to make their community and school better, volunteers, respects authority, good neighbor . . .). Is this the child you're raising? We hope so! Help us to develop all our students into adults that we can be proud of. ###

*Will there be a seat in the high school of your child's dream next year?*

**EVERY 8th Grade Parent needs to do this NOW!**

**Time is running out to submit your child's OneApp for the 2016-2017 academic year!**

We still have a few 8th graders who have not turned in their completed OneApp for next year. Have you submitted yours to FCWCS's office?

The time to do it is now!

**The MAIN Round has begun. Opening November 2nd, it will close on February 26th.**

On February 26th, the Standard Window will end. **During the week of April 4th, results will be issued by letter.**

Students wishing to apply to schools with academic requirements should have completed and submitted their app by Friday, December 18th.

Parents should encourage their child to choose their top 8 choices for 9th grade (in order of their preference). This increases your chance of attending a school of your choice. Apply early while the seats are plentiful.

Waiting to the last round can cause disappointment—having to enroll where there are available seats. ###

## Clean Team Does An Awesome Job . . .

Our custodial staff does a fantastic job keeping our campus clean! Can you imagine cleaning up after 600 students and about 75 adults? Not easy.

To help us keep our campus looking good, we ask that parents **do not purchase or allow their children to bring chewing gum to school.** We find it everywhere it doesn't belong, on the floor, under desks, stuck on lunch trays. UGH!

Remember: FCWCS is a **NO GUM** campus. ###
