Re: Asbestos Management Plan Availability

Fannie C Williams Charter School is providing information to you concerning the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA). These plans are available for your review upon request. A copy of the plans for the building is located in the Front Office of the school and in the Business Office. The plans can be viewed by any person during normal business hours of the school. Interested parties wishing to inquire about the hours and times that the plans are available should call the telephone listed above.

The asbestos management plans provide information regarding that absence of any asbestos materials during the construction of Fannie C. Williams Charter School.
