## Learning to Paddle Your Own Canoe

*Experiencing the joys of outdoor recreational fun at Joe Brown Park. The April 4th & 5th adventure was a first time experience for most of the participants.*

The expression “paddle your own canoe” refers to being independent or self-reliant. Even the founder of the Scouting Movement—Lord Baden-Powell—employed the image of self-reliance in a book he authored. Our 4Ps stress this idea: Warriors are prompt, polite, **prepared**, and productive. We strive to develop all students into young people who are ready for education and life. We work hard developing skills, habits, and knowledge that will serve them

well throughout life. Even when the going gets tough, they will continue on.

Coaches Dana Williams and Terry Green took the expression literally, bringing 4th graders (and a few adults along for the ride) to expose their students to the joys of canoeing, another form of recreational fun and exercise, all while “learning to paddle their own canoe.” ###

**Pennies for Patients Campaign, 2017**  
FCWCS concluded its 5th year taking part in the Pennies for Patients Campaign. Students and Staff brought in \$1,209.26 according to Business Manager Watson.

Since 1994, millions of dollars have been raised by school children in Pre-K through 12 schools for the Leukemia & Lymphoma Society. This year's effort was coordinated by Mrs. I. Hall. Thanks to all Warriors who participated. ###

## Principal's Message

April 2017

Dear Parents & Guardians,

The academic year is drawing to a close, but there are still tasks to be accomplished.

We're in the testing time of year. LEAP testing is keeping us busy for three weeks in April and May. The extended time period is due to the first attempt by the state to have students take mandated testing on computers.

7th & 8th graders testing went well the week of April 18th-April 21st. As I write this, our 5th and 6th graders are busy. Next week 3rd & 4th graders will pick up their pencils and answer sheets (this group will not be using computers for testing).

We need your assistance in the following ways to successfully complete LEAP and final exams in a few weeks:

1. Ensure your child gets a good night's sleep.
2. Make sure they eat breakfast each morning.
3. Please ensure they are prompt to school.
4. Encourage them to do their best. Tell them not to leave anything blank, answer ALL questions.
5. Remind them that the tests are important.
6. Try to make their morning pleasant. Do not add to their stress.
7. Remind them to listen carefully to their teacher's instructions and to follow them.
8. Encourage your scholar to stay focus. Fast and wrong is not a good idea—encourage them to take their time.
9. Visit [www.louisianabelieves.org](http://www.louisianabelieves.org) for more info on state testing.

As always, we appreciate your assistance.

Parents, Guardians: Did you know that . . .

## April is Distracted Driving Awareness Month

You may be wondering why the school's nurse is writing about distracted driving this month.

Anything that affects the well-being of our students is of concern to me as the school's nurse.

What are drivers doing to be so distracted while operating a machine weighing over 3000 pounds? Handling a cell phone is one the major diversion of their attention today.

Technology has reached the point that no one likes to even leave home without their cell phone. Our phones have become an extension of our hands. Observe the number of people who walk while viewing their cell phone, oblivious to traffic. It is an obvious behavior in pre-teens and teenagers, but adults can also be seen displaying this behavior. Have cell phones become an addiction in our society?

This also occurs with people driving cars and using their phones at the same time. We call this distracted driving. Paying attention is a critical part of how we keep safe on the road. Did you know it is against the law to drive through a school zone while using a cell phone?

Distracted driving is now considered a national safety issue, responsible for 421,000 injuries and more than 3,000 deaths in 2012. Are phones the only reason for these frightening stats? No. The National Safety Council cites a survey of drivers that revealed speeding (64%), texting (47%), driving while under the influence of marijuana (13%) or driving under the influence of too much alcohol (10%) as being reasons for the injuries and fatalities on the streets and highways of the USA.

What message are we sending our young people? They are often in the car when we exhibit these dangerous behaviors. Will they model their future driving skills based on what you are doing?

Let us make an effort to drive attentively all the time. Avoid driving under the influence of alcohol and drugs, reduce your speed and silence that cell phone until you reach your destination. It only takes one accident to change your life forever . . .

—Nurse C. Robichaux

Hello Fannie Family & Friends!

The Marching Warriors have launched their most ambitious fundraiser to date and we need your help! Mr. Jones and the Marching Warriors are attempting to raise money to purchase new band uniforms for the 2017-2018 school year!

Please go to **gofundme.com** and find the link for FCW Marching Band Uniforms. Please share this link with all of your family, friends, church members, neighbors, business associates, and social media networks! Every dollar helps! ### Tennis Inaugural Season @ FCWCS

*Our Racquet Ball Loving Coach Williams Brings a New Sport to Campus*

Coach Dana Williams decided back in the Fall that FCWCS would have a new sport on campus. That new athletic endeavor would be tennis.

By February, Coach had her racquets and balls. She put out "feelers" for players. FCW would field teams of both male and female students. Students would practice after school at nearby Joe Brown Park.

Coach Williams started making contact with other schools in the area with tennis teams. A schedule developed, marking March 28th as the team's first match at the Lakeside Country Club against St. Dominic.

Tryouts turned out about 20 would be players. The team would eventually stabilize with 18 players. Impressive for a first year effort. ###

Birthday of Fannie C. Williams (b. March 23, 1882 in Biloxi, MS), our school's namesake, does not escape us without a special "shout out" to the exceptional educator. Always music provided by the Warrior Band and a fantastic lunch, courtesy of the Warrior Cafeteria Staff, is on the agenda.

This year, Mrs. Althea DeBose, a former student of Ms. Williams, visited the classes of Ms. Smith and Ms. Robinson to give her first hand account of being a student at Valena C. Jones Elementary School during Williams's tenure in the early 1950s. ###
