Principal's Message

April 16, 2018

Dear Parents/Guardians,

We are in the midst of LEAP 2025 Testing. This week 7th & 8th Graders will be assessed, followed by 5th & 6th next week and concluding with 3rd & 4th Graders the last week.

It is important that all students are present and on time, especially during their testing week. Students should leave book bags, phones, smart watches, and any other electronic gear at home.

It is important that we give all students the opportunity to do their best on these important assessments. Students absent during their testing period will have to make-up the exams, so ensure that your child is present and on time daily.

Continue to check the Wednesday Warrior Folder for updates on school activities and important news.

-Kelly S. Batiste, Principal/CEO

**Academic Grading Quarters
2017-2018**

164 school days

1st Quarter	August 15 - October 13 (41 days)
2nd Quarter	October 16 - December 21 (44)
3rd Quarter	January 9 - March 16 (42)
4th Quarter	March 19 - May 16 (37)

Is Your Child in Danger of Retention?

Our school counselor, Mrs. Edmond, has met with **all** students in grades first through eighth who are in danger of failing.

Parents were informed in February & March, via the United States Postal Service, of students who are in danger of repeating their current grade. Mrs. Edmond requested that parents come in to speak with her and learned of what grades were needed to ensure moving on to the next grade. Parents were also given another copy of their child's most recent report card. Many parents took the opportunity to confer with Mrs. Edmond.

Students also met with their counselor and were informed, in writing, of what was needed to bring their grades up to a promotional level. Parents and students were provided with **recommended interventions** to improve grades. They included the following (not a complete list and all do not apply to all students): extended time requirements; reading directions to student; peer/after school tutoring; use of calculator/computer/spell check; pre-teaching of vocabulary; requiring students to maintain

assignment notebook; use of supplementary materials.

Did you and your scholar receive such a notice and recommendations? Did you adhere to the recommendations you received in writing? Have you taken all the necessary steps to ensure they will not be retained next year?

School attendance also plays a major part in the success of students in the classroom. Did your child's attendance this year aid their academic progress or was it a hinderance?

Parents are also reminded that they can access their child's grades and attendance on a computer, tablet or smartphone (see box on right) at anytime. Monitoring their attendance and classroom activities is a great way to stay "on top of things."

We hope that 2017-2018 has been a successful year for your scholar. Always strive to be a motivator in your scholar's academic quest. Let's finish the year strong—working hard

Report Cards were issued on the following dates for this academic year:

~~Wed., October 25, 2017~~

~~Wed., January 10, 2017~~

~~Wed., March 28, 2018~~

Students are issued report cards in the Warrior Folder on the designated Wednesdays listed above. Parents were asked to check their child's report cards on the dates listed above. Did you see these reports? ###

Do you know you can access your child's attendance and grades by going to:

<https://services.edgear.net/progress/>

Need to speak to your child's teacher(s) regarding their academic progress? The quarterly **Parent-Teacher Conference Days** are the perfect opportunity! There's one last opportunity for 2017-2018!

~~Wed., Sept. 13~~

~~Wed., Nov. 15~~

Remember: There is no After School Program on conference days! ###

Did you know . . . ELA and Math must be passed in order to move on to the next grade?

A Report Card is a student's PAY DAY for their work during the grading period! Is your child well-paid for a job well-done? Are they a motivated learner?

We hope ALL our Warriors return next year . . .

We are saving a seat for your son/daughter for the 2018-2019 school session!

Remember, if you fill a One-App to request another school, your seat at FCWCS may be given to another student even if you change your mind or don't receive the placement you were seeking!

Who needs OneApp?

You should submit a One App if your student is:

- NEW** to New Orleans or new to public schools
- Seeking to transfer** from their current school to a new school for the 2018-2019 School Year
- A transitional student**, which means their current school does not offer their expected grade next year (8th graders needing to advance to high school).

Do you have a little one in your life who would do well at FCWCS? We are looking for Pre-K & Kindergarten students for 2018-2019! You should apply at

We only have 40 seats (2 classes) of Pre-K! Don't know how to handle the OneApp process? Visit one of the 3 Family Resource Centers for help:

from the desk of

Nurse Robichaux, R.N., B.S.N

The Center for Disease Control (CDC) recently announced an outbreak of measles in 34 people from 11 states (January 1 to March 30, 2018). In 2017, 118 people from 15 states were reported to have the measles.

The CDC is concerned in this uptick due to:

- The majority of people who got measles were unvaccinated.
- Measles is still common in many parts of the world (some countries in Europe, Africa, the Pacific, and Asia).
- Travelers with measles continue to bring the disease to the United States.
- Measles can spread when it reaches a community in the United States where groups of people are unvaccinated.

Measles is a highly contagious virus that spreads through the air through coughing and sneezing. Prior to the development of the vaccine in the early '70s, children and adults were very susceptible to this illness that can cause death in extreme cases. Measles, chickenpox, and mumps were known as childhood diseases and were known to tear through entire school populations.

Physicians continue to stress the importance of having children vaccinated with the 1st dose at 12-15 months and then again for the 2nd dose at 4-6 years of age. Both doses are about 97%

(cont'd in next column)

from the desk of . . .

(cont'd from column 2)

effective at stopping the measles (one dose, 93%).

People are always on the move today. This message is being given due to a case of measles reported in New Orleans last week. Health officials were trying to identify and notify people that the patient may have come in contact with, all in an effort to stop the virus from spreading. The patient is from the United Kingdom and has been hospitalized.

The CDC states that symptoms appear about 7 to 14 days after exposure. Fever, a runny nose, coughing, red eyes, and a sore throat appears. After about 3 to 5 days, a rash will develop.

Parents + School =

Partnership *This simple equation works well!*

We love parents who read the WARRIOR NEWS!

Parents who read the monthly issues of the **WN** are near and dear to our hearts. They keep informed of all the great things happening on our campus! Informed parents make our jobs easier. They assist in guiding their children in the rules & regulations of school (aka The 4 Ps).

We had **two winners** this past month . . . Thanks to **Ms. Adriana Poché and Ms. Claudia Hernandez** for reading the March issue of the **WN**. **Dere'onne and Joel** were able to search Mrs. Batiste's treasure chest for just the right prize. ###

All good things must come to an end . . .

Thurs., April 26th is the **LAST** day for the **Afterschool Program**

All students will be dismissed at 3:15 pm beginning Fri., April 27th through the last day of school (May 16th). If your child is a car rider, please make arrangements to have him/her picked up by 3:15 pm each day.

Thank you.

Attendance Counts

All students can learn—but they must be present to do so!

In order to be eligible for promotion, students will need to be in attendance a minimum of 158 days out of the 163 days in the school year. After the 3rd day absent, your child's teacher will reach out to the parent to discover what the problem is. Teachers will contact the school's social worker Mrs. Aziz if the problem is not resolved. ###

How can you help your child conquer the state mandated testing?

Parents/Guardians you can assist in the following ways:

1. Ensure your child gets a good night's sleep.
2. Provide a warm, healthy breakfast each morning of the testing.
3. Ensure your child arrives to school on time each morning of testing.
4. Encourage your child to do his/her best work on all tests.
5. Tell your child to attempt all of the questions and not to leave any blanks.
6. Remind your child that the test is very important.
7. Try to make the morning a pleasant one. Do not add to your child's stress.
8. Remind your child to listen carefully to the instructions from the teacher and to read the directions and each question carefully.
9. Encourage your child to stay focus on the test, even if other students finish early.
10. Visit **www.louisianabelieves.org** for more information.

###

LEAP is MANDATORY, no exceptions . . .

ALL students in grades 3-8 will be tested according to the state's mandates. Students who are absent on test days will have to make the test up on the make-up day. Please send your student to school and on time.

Box Tops Nets \$592.00

Librarian Karen LeBlanc and Business Manager Brenda Watson has informed the **WN** that the school has collected \$592.00 in its annual Box Tops for Education Drive.

Since the 2009-2010 school year, Mrs. LeBlanc has spear-headed the coupon drive to collect monies for the school's coffers. Each Box Top coupon has a value of 10 cents. Since that first year, more than \$3500.00 has enriched the school's treasury. The results through the years has been as follows:

2009-2010	\$ 67.00
2010-2011	\$285.80
2011-2012	\$509.90
2012-2013	\$632.70
2013-2014	\$637.50
2014-2015	\$381.00
2015-2016	\$535.60
2016-2017	(submitted '18)
2017-2018	\$592.00

Thanks again to Mrs. LeBlanc and Dean Sisco, who each spring can be found counting thousands of coupons, checking their expiration dates and pasting them to sheets of paper so that they can be sent off for redemption.

Please continue to check your products purchased for these valuable coupons. **Save them during the summer break and send them to school in August.** Mrs. LeBlanc has already begun her quest for the 2018-2019 school year.

CHANGE IS COMING TO OUR

**SCHOOL
UNIFORMS**

The Fannie C. Williams Charter School will have a **change in uniforms** for the 2018-2019 for ALL students!

Flyers went out on Fri., April 13th detailing next year's uniform. Did you receive your copy? They school's website will be updated shortly to reflect this change. Stay tuned.

Do we have your most current contact information? Please check to ensure the main office has your: current home address, cell number, alternative contacts, etc.

###

Lost & Found Continues to Grow

Parents are asked to check the ever growing Lost'n Found rack and table located in the school's lobby.

Dean Sisco continues to gather clothing, eyeglasses, books, etc. and lovingly gather them for their owners to retrieve. Items with names on and in them are returned. There are quite a few sweaters, jackets, and sweatshirts looking for their owners.

Clothing left at the end of the year will be cleaned and given to charity. ###

We've Watched You Grow Up

The Class of 2022 is moving on to high school—16 of them have been with us since Pre-K!

Principal Batiste has noted the large number of students that are completing their 8th grade year have been with us since starting school in Pre-K. This is our largest number of “vets” in our school history. Sixteen (16) members of the Class of 2022 started out in our Pre-K (4) class, back in the days of the white FEMA trailers on campus! That was the 2008-2009 school year. Wow!

We've watched you grow and mature, becoming integral parts of our school family. Enjoy your high school years, they will go by quickly. Do your best and remember the many lessons learned here at Fannie C. Williams!

CROHN'S & COLITIS

Fannie Farms Underway

Teachers Dana Williams and Lawren Michalik Secure Grants

On the campus, to the right of the building as you enter, is an outdoor classroom and planters. Teachers Williams and Michalik have decided to put this "land" to use as an area to teach Warriors about growing an edible garden. Gardening encourages kids to eat fruits and vegetables, thus promoting a healthy lifestyle. Planting also provides students with participation in scientific experiments. It also teaches kids responsibility by having to care for the plants daily.

The **WN** has been notified by both ladies that they have been awarded grants by the Whole Kids Foundation (\$2000) and Fit Nola (\$1250) to purchase the necessary seeds, soil, and equipment needed to start the edible garden on our campus.

Teachers Williams, Michalik, Prillman and Eschman have volunteered to check in on the garden during the summer vacation to keep things going. It is hoped that the garden will produce a crop that can provide salads, smoothies, and herbs for students and staff to partake of its bounty. ###

BOOK FAIR ROCKS

Last month's **Spring Book Fair** was an awesome success! Thanks to all the parents, grandparents, staff, and especially dads on the last day, that made our bi-annual Scholastic Book Fair such a success! One of the greatest gifts to give a child is the joy of a new book and an appreciation for reading!

As always . . .

OUTSTANDING JOB Mrs. K. LeBlanc, Librarian! ###

Lost Textbooks & Library Books

Now is a good time to look for those lost textbooks and library books before they are collected in a few weeks.

Parents will remember that a textbook contract was signed by both parents and their children stating they would be responsible for taking care of textbooks during their usage this school year. Books deemed damage beyond repair will also have to be replaced.

Mrs. I. Hall handles textbook and can provide information regarding cost. Library books borrowed from the school are also subject to the same rules. ###

DONUTS WITH DAD

Fri., March 23rd

Our 9th annual day to have Dad (or Paw-Paw, Unc, or Big Brother) come to campus for a donut or two, milk, orange juice, and a little fellowship. About 175 dads made the annual visit.

This year's speaker was Lloyd Dennis of the Silverback Society.

What a nice treat to have Dad here for a few hours or so. ###
