2021

May 2021 Volume 14, No. 7
11755 Dwyer Road New Orleans, LA 70128
fcwcs.org

They've come to the end of the road at the Fannie! Members of the 8th Grade Class of 2021 have had one unusual year. We couldn't let them leave without some type of celebration. How do we do in during a pandemic. Year Two

of the FCW Drive Through Celebration. That's Brian (above), an emotional Chorpetch (I feel 'ya), Lataijah's on the top of the world, and Kevon displaying his Silverback backpack. On to high school Warriors. Love 'ya!

**FCWCS New Student
Registration has begun!
Registration Hours
MONDAY - THURSDAY
8:30 am - 1 pm**

Option 1: Complete Registration via email. FCWCS will email you the registration packet. You will print the registration packet, complete the packet and add **ALL** required documentation. You can drop it off or email the completed packet back to FCWCS during registration hours (8:30 am - 1 pm).

Email Registration to:
enrollment@fcwcs.org.

Option 2: Complete Registration at FCWCS. You will come to FCW and pick up the registration packet. Return the **completed** packet to the school. **ALL** required documentation **MUST** be submitted with the registration for it to be complete.

***The school WILL NOT make copies of documents.** Please include **ALL** required documents with registration or registration will not be accepted.

REQUIRED Documentation:

- *Birth Certificate
- *Immunization Records
- *Parent/Guardian Identification
- *Test Scores/Last Report Card
- * **2** Residency Documents to provide you live in Orleans Parish (Entergy Bill, rental lease, property tax notice, cable

**Need to call the school? Our
phone number is**

504.373.6228

Mrs. G. Johnson is our school's administrative assistant and will probably be the lady pleasantly answering your questions!

Principal's Message

May 21, 2021

Dear Parents/Guardians

My message to you last year this time spoke of how we missed our students. We were just wrapping up two months with no physical contact with students!

Well, we have just concluded an entire school year conducting school in person and virtually. What a difference one year makes. I am hoping—**no praying**—that next year this time we will have beat COVID-19 and we will be concluding a more traditional school year.

I know you realize how hard the faculty and staff worked this year. This was a year that educators and students will be speaking and writing about for decades to come. My staff has attempted to make this year as “normal” as possible for the children you have so graciously entrusted to us. Thank you parents and thank you FCWCS staff!

To say this was an eventful year would be an understatement. I know you have had your difficulties too, but you have “soldiered on” always praying for the best.

Keep our Warriors safe and sound these summer weeks, until they return to us in August. The proposed Upcoming School Calendar is on the right. **School is scheduled to begin for the 2021-2022 school year on August 9th. Students are to be attired in full school uniform.**

Whenever there is additional info to share with you, we will use the school's website and Class Dojo.

Let's remain FANNIE STRONG,
SAFE and POSITIVE! ###

from the desk of
Nurse Robichaux, R.N., B.S.N

This column is based on one dated from the WN of May 2019. Now more than ever, it is needed. Take care of yourself.

Summer is a great time to have your child's medical needs addressed: dental, doctor, and immunizations*!

Did you know May is **MENTAL HEALTH AWARENESS MONTH**? SINCE 1949, Mental Health Awareness Month has been observed in the USA during May.

Everybody deserves to be happy, but during this troubling time, it may seem to be easier said than done. We have all probably had "our moments," times when we felt overwhelmed and overly emotional about life. Believe me, you are not alone.

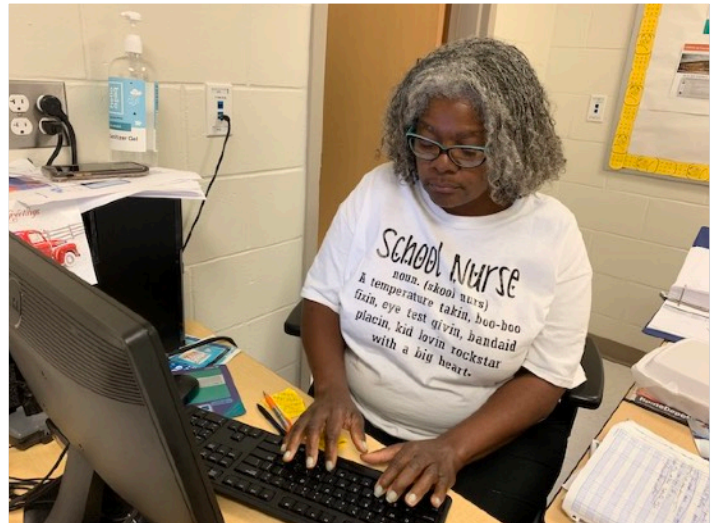

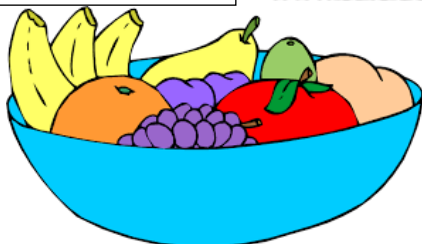

The organization known as Boys Town is providing a free eBook that you might find helpful. Go their website (boystown.org) and explore the HOME PAGE for what you can do to help yourself and a child that maybe having difficulty. Please make self-care and mental health the number 1 thing to take care of this year.

**COVID-19 Immunization is available for everyone 12 and over. Walgreen's, CVS, your doctor, and other sites are available. More than 2/3's of the FCWCS Staff have been vaccinated. What about you? ###*

Where can you get vaccinated?

Visit the website for the state of Louisiana that has everything you need to know . . .

ldh.la.gov

Be a parent in the know! Stay on top of your child's academics and attendance by accessing JPAMS (the electronic roll book).

Check for your child's last report card for the year at

<https://services.edgear.net/progress>

School Uniforms, NO Change for 2021-2020

Principal Batiste has informed the WN that the current uniform will remain unchanged for the next academic year. Parents can review the school's website, listing the official plaid (No. 88) for females and grey pants for males.

All students are required to follow the uniform policy, appearing the **first day** (August 9, Grades 1-8; August 16, Pre-K & Kdg.) in full uniform.

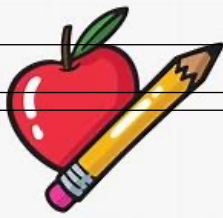

The entire uniform (sweaters, blouses and shirts with school emblem, etc.) can be purchased at **LOGO**

EXPRESS @ 3141 Gentilly Blvd. YOUNG FASHIONS @ 5700 Crowder Blvd. is a good option for bottoms—skirts, pants, jumpers and grey slacks for boys.

All blouses and shirts should have the school's logo on the left side.

The school's business office will continue to carry the durable black sweatshirt with the school's logo on the front. Money Orders and cash will be accepted for payment. Call the school or see the website for any additional information needed. ###

**Don't forget to buy fruit this summer!
Help your child to stay healthy!**

Who's in the Classroom?

Faculty Members to Know

This column is the third in a series of the educators who man the classrooms of FCWCS...

Leila S. Robinson, 1st Grade Paraprofessional

Our Ms. Robinson has a teaching career that spans over four decades. We call that a “seasoned” educator. You can tell by her demeanor that she has spent years honing her craft. Her days are spent at FCW as a paraprofessional but her career in education began as a 1st grade and kindergarten classroom teacher.

Ms. Robinson’s career began at neighboring Mildred Osborne Elementary. In 1983, she moved to McDonogh #32 in Algiers as a Kindergarten teacher and later a Pre-K teacher. During this time, Ms. Rob worked to write a quality curriculum, find creative and modern techniques to engage her students, mentored new teachers, and opened her classroom for observation to other interested educators. In 1997, she was awarded Teacher of the Year for her many years of dedication and advocacy for quality education. Her career at McDonogh #32 ended in 2005 with Hurricane Katrina.

After Katrina, she was employed again in the charter school system at Martin Behrman Charter School in Algiers. She retired in 2015.

In the Fall of 2017, Ms. Robinson accepted a paraprofessional position in first grade at Fannie C. Williams Charter School. You will find her floating from the rooms of Ms. Theard and Mrs. Bercy effortlessly. During the 2018-2019 school year, her co-workers at Fannie noted her talents and named her Staff Member of the Year!

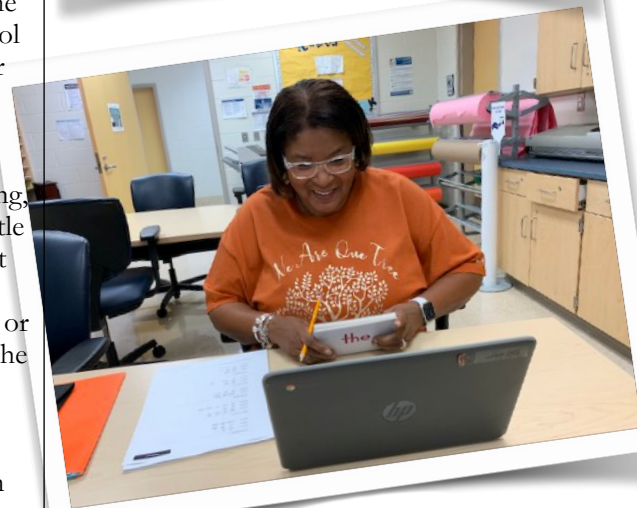

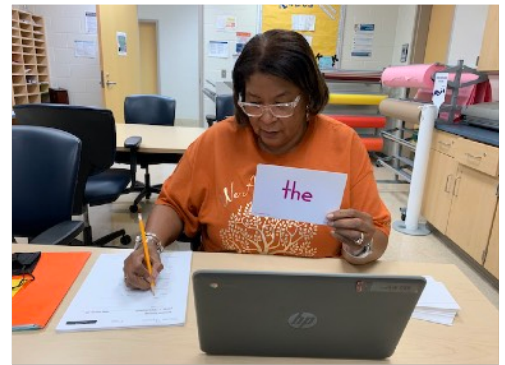

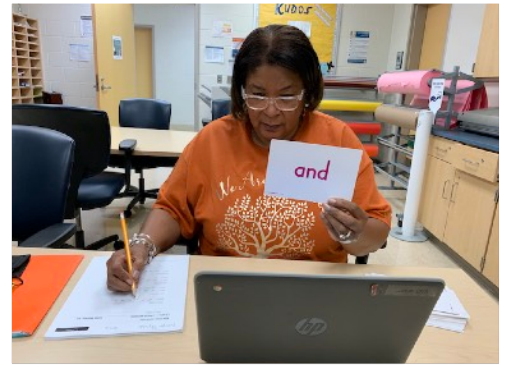

What makes a good teacher/paraprofessional? You only have to watch Ms. Robinson in action to know the answer to that question! She’s patient, engaging, a great collaborator, a great listener, adaptable, and empathic toward all the little ones she helps. It is obvious her goal is to create a community of learners that are being nurtured to grow in a positive and fun environment. The two 1st grade teachers she assist—Theard and Bercy—I am sure have learned a thing or two from this veteran educator. We can also add to her list of attributes that she shares her best practices honed during those four decades.

A native of Natchez, Mississippi, Ms. Robinson holds a B.A. in Elementary Education from Xavier University and a Master’s in Curriculum & Instruction from the University of New Orleans. Her inspiration came from her mother, who was an educator and encouraged the path into the career that has shaped her adult life.

When not encouraging our first graders to grow, Ms. Robinson enjoys gardening, reading and traveling with her family.

Thank you “Rob” for all you do at Fannie C. You’re a gem!

###

Ms. Robinson review “sight” words with a virtual student on May 12th. Commandeering the little used Teacher’s Lounge, Rob and her Chromebook check the child at home ability to read the words that every first grade needs to know to become a successful reader. Notice the last picture, the girl at home did a great job as she said the words with confidence, bringing that infectious smile to her “teacher’s” face.

The influence of a good teacher can never be erased.

—Author Unknown

Summertime: Ready or Not, Here It Comes:

The Summer season evokes different images and feelings for each of us – parents and kids. Some of us look forward to the warmer weather and change in schedules. Others may wish we could skip right to September.

Our culture tells us that summer “should” include combinations of the following:

Fun, family time, leisure, sun, rest, camp, travel, swimming, picnics, reading, beach, smiles, etc.

But the daily reality of summer may look more like:

Work, juggling, boredom, time apart, moving, expenses, stress, sweating, change, more of the usual, conflict, decisions, etc.

Perhaps your picture of summer contains elements from both lists, plus others. As the summer approaches, how can we meet all of our desires for the summer, while at the same time cope with all of the realities?

Summer Survival Tips

It may help, as a parent, to try to employ some of the following summer survival strategies.

Time Together

Plan shared time together as a family. Whether it is a week-long family vacation or a weekend picnic at a nearby park, time away from the everyday stresses of home and work can be used as valuable time to unite your family.

Feeling connected to something beyond themselves lets children know they belong. It is one of the conditions necessary for a child to develop a positive sense of self-esteem.

Play

Recognize the need to play! Remember summers as a child when it seemed like all you did was play and swim and play

some more? As adults, we forget that we can and should still play, especially with our children. The longer days of summer almost beg us to get outdoors and be together.

Even if you are not the type to ride a bike or play ball with your children, challenge yourself to find a way to “let go” and “go play!” Resources and ideas are available in local bookstores, online, or better yet, from your kids!!

Laugh

Remember to laugh! Many times, we can lighten up a situation with humor when we are tempted to “lose it.” A positive sense of humor helps us to keep things in perspective and works as an antidote to the drudgery, feeling of endlessness, and conflict that can arise during the long days of summer.

WARNING: A healthy family is one that is able to laugh *with* one another and not *at* one another. Become aware of the difference between fun and positive laughter verses ridicule or sarcasm that can be hurtful. Unless all parties find the joking to be funny, the comments may have crossed the line into the hurtful.

Watch for Stress

Be alert for symptoms of stress in your family. As summer unfolds, observe behavior. Are family members feeling harried, short tempered, distracted, tense? Are your earlier expectations about summer not meshing with the day-to-day reality? Step back and ask yourself, “What’s happening here and how can we get ourselves under control?”

WARNING: It can take time for some children *and* adults to adapt to a change in patterns or a lack of routine.

A Parting Thought

There is no one “right recipe” for summer. Despite what the culture or media may “decide” for us, each of us as parents and as a family need to figure out what works best for us.

by Pam Nicholson, MSW, Certified Parenting Educator

###

UNTIL WE MEET AGAIN!

I would like to say a big **THANK YOU** to the Fannie C. Williams family. As a collective group, you all make up the essence of how the school culture vibes through the building day in and day out. I’m honored that I worked along such a great and hard working group of people. You are doing some of the hardest work in our community and have welcomed me with open hearts and open minds.

With that, I would like to say, “Until We Meet Again!” I will not be here in the building with you next year, but I will be here in spirit and FCW will always be in my thoughts. The good news is I won’t be too far away—I will be down the street at the Living School, but I’m always just a phone call away. Please be well, be safe, and be kind to yourself,

Ms. Vanessa Batiste-Leal, School Counselor, Site Coordinator ###

IMPORTANT

May 21, 2021

Public school students will be returning to the classrooms in-person this fall, according to New Orleans Public Schools Superintendent Henderson Lewis, Jr.

The school met last night and voted that the 80 charter schools will be holding classes in the traditional setting of the classroom for all grade levels. Remote or virtual learning will only be offered for special circumstances due to health issues or if students are ordered to quarantine.

NOPS educates 45,000 students. At the close of this school year (May 21), about 20-30% of elementary and middle school scholars were still in the virtual mode of learning. About 50% of high schoolers were being educated remotely.

Warrior parents should prepare to send their scholar to campus in August, in complete uniform with mask daily. Vaccines are available for students 12 and over.

###

2021-2022 Return Student Registration Information

This form was sent home, did you return it? Virtual students parents can come to the main office and receive a copy to fill out and return (visitors are still not allowed in the building, however).

We're hoping ALL our Warriors return next year . . .

We are saving a seat for your child for the 2021-2022 school session! **You will need to complete a two page document and supply proof of residency (2) for Orleans Parish.**

Examples of proof are:

- Utility bill
- Rental or Lease Document
- Property Tax Notice
- Sewerage & Water Board
- Cox Communications Bill

We cannot make copies, so please come with copies we can keep. A complete registration will have you providing the above proof of residency (2) and current ID for yourself (Driver's Lic or State ID).

Remember, if you fill a OneApp to request another school, your seat at FCWCS will considered vacant and may be given to another student, even if you change your mind or don't receive the placement you were seeking.

Who needs OneApp?

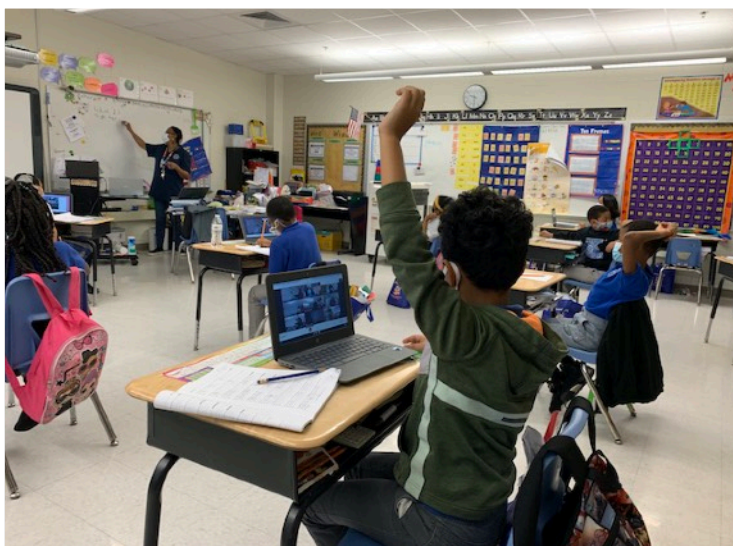

You should submit OneApp if your child is:

- NEW to New Orleans** or new to public education;
- Seeking to transfer** from their current school to a new school for the 2021-2022 school year;
- A transitional student, which means their current school does not offer their expected grade next year** (ALL FCWCS 8th graders advancing to 9th grade (high school) should have completed a OneApp months ago. Those not completing this task will be assigned a school by OneApp!

Additional information can be obtained by calling 504.373.6228 (ask for Mrs. B. Lewis) *or* e-mail Mrs. Lewis at

enrollment@fcwcs.org

###

Scenes from Mrs. H. Grey's 2nd grade class (above, left)—in person and virtual students participating. Extraordinary measures for extraordinary times. Great job students and teacher.

Middle school artists, London, Todd and Damon with "flowers" for mom for Mother's Day. Lesson taught by our talented librarian/art teacher, Mrs. K. Leblanc.

Parents/Guardians . . .

Don't forget to register your child for next year. We are holding a seat for your Warrior!
